

Local Entrepreneurship Accelerator Program

APPLICATION DEADLINE: Ongoing

(Program start date: Postponed from April 1. New date to be determined)

How to apply:

Send us a brief description of your business or start-up idea along with an explanation of what social, environmental or economic issues your business may address. Please also include a resume or bio and contact information.

A successful applicant is not someone with the perfect business idea, but rather someone who is aware of a meaningful problem in their community, and has an idea for a business which could solve the problem. This program is for people who are passionate, action-oriented and committed to seeing their idea through. You do not have to have experience; you just need an entrepreneurial spirit. What's that? Some comfort with risk, a dollop of creativity and a whole lot of tenacity.

This eleven-week accelerator program is for aspiring business owners in the Oceanside area who are willing to commit to nine 3 hour sessions (plus business development time). Registration cost is only \$100 per participant as the funding partners have underwritten the costs of this program for 10 promising entrepreneurial leaders (\$2,000 value).

Take the LEAP and apply. These opportunities don't come around every day!
